-At stop sign, turn right onto Burnstown Rd

## White Lake

Length.....16 km

Surface Area.....5,608 hectares

Perimeter....98 km

The Township of McNab/Braeside is pleased to announce that we have formed a partnership with the County of Renfrew and now will be proud presenters of Taste of the Valley/Herbfest. The event was originally held in Almonte for approximately 20 years but for the last several years it has been held at the picturesque Waba Cottage Museum on the shores of White Lake in McNab/Braeside.

There will be great food and beverages to sample, expert health-related seminars to listen in on, interesting articles available for purchase, herbs and produce to check out, kids' attractions, interactive displays, pontoon boat tours of the Lake, interpretive talks about the Museum's unique artifacts, and advice for gardeners along with garden tours throughout the grounds.
